Education

Dr. A.P.J. Abdul Kalam University Indore

Bachelor of Computer Application

August 2018- June 2021

Madhya Pradesh, India

National Institute of Technology

Master of Computer Application

August 2021- June 2024

Tamil Nadu, India

Projects [Clickable links and as short and crisp as possible, at max 2/3 projects]

Lunc Box Home | *HTML,CSS,Javascript* | Clickable Link

4

- Collaborated in the development of a user-friendly food ordering and delivery platform using HTML, CSS, and JavaScript. Contributed to the creation of an intuitive interface allowing users to select from fixed weekly menus and special festival dishes. Participated in the implementation of a route optimization system inspired by Mumbai's dabbawala model, ensuring timely meal deliveries.
- Assisted in the design of a backend system using technologies like Node.js, Express, and MongoDB for secure user authentication and data management. Supported the project's goal of delivering hygienic and flavorful home-cooked meals to users' doorsteps, combining culinary traditions with modern technology.

File Encryption And Decryption | *c++, File Handling,Encryption Algorithms* | Clickable Link

4

- Designed and implemented a C++ program for secure file encryption and decryption using encryption algorithms. Utilized basic symmetric encryption techniques to ensure data security and confidentiality. Implemented user-friendly input and output interfaces for ease of use. Demonstrated proficiency in file handling, algorithm implementation, and user interface design

Achievements [Add all kind of achievements that shows your skills]

- Highest rating of Leetcode is 1600+ among the 30 percent at global level
- Qualified the prestigious ACM-ICPC regionals **twice** and ranked 5 in one of the attempts.
- Secured all global rank of **5000** respectively in Leetcode weekly Challenge among 30k+ participants.
- Secured all India rank of **116** in NIMCET 2021.
- Secured all India rank of **44** in BIT 2021.
- Solved more than 400+ problems across platforms.
- GeeksforGeeks Rank at Institute level under 400.
